**THE SENIOR CLASS
NEW TRIER HIGH SCHOOL
WINNETKA, ILLINOIS**

W E

1944 San Jose

We dedicate our Echoes to you in the hope that it will show to a slight degree our appreciation of your friendship and your loyalty. We have enjoyed knowing you personally. Your sense of humor and fun have made our work with you a pleasure which we shall long remember. Nor shall we forget the tribute of your loyalty to us. You have struggled and labored with us as a companion and you have advised us as one friend to another. Your effort and work in all our enterprises have been examples to each of us. The tolerance of your views, the fairness of your opinions, and the equality with which you have treated us, have convinced us of the understanding and respect possible between the faculty and student body. The basis on which you have placed our relationship is one which shall remain solid.

Our value of your friendship, our respect of your authority, our appreciation of your loyalty and hard work, are all expressed when we dedicate the Echoes to you.

H O N O R

MR. ROBERT H. CARPENTER

WE OF the senior class are about to graduate from New Trier. To you who know us, we are individual personalities, to others we are no doubt merely names. During our four years we have undertaken many and varied projects. In some we have failed. Do not hold these too much against us, for they are not due to any lack of spirit on our part. In many cases we have triumphed. We point to these with pride as being concrete evidence of our intrinsic worth. For these successes we have strived honestly to the best of our ability. A great number of us, quietly and with no recognition, have accomplished our duties successfully.

We realize that you who know us, have oftentimes been disappointed in us, have doubted and disagreed with us, but we hope that some measure of pride in us tempers your opinion.

To you who doubt us, to you who have pride in us, to all who know us, we say, "Read this, our Echoes, and judge for yourselves what manner of people we be."

ADMINISTRATION

P R I N C I P A L

To you we students owe our thanks for the promotion of democracy at New Trier. Five years ago, when you came to New Trier, you brought us an ideal. This ideal was one of equality and democracy. The spread of these principles has been gradual but definite. Today there is no organization or function in school that has not benefited in some way from your ideas.

Through your efforts greater sympathy, a better understanding, and a truer friendship have developed between the faculty and the student body. The goal of student self-government which you have given to us is an ideal which New Trier will some day, with your assistance, realize.

MISS ELIZABETH E. PACKER

DEAN OF GIRLS

With two-hundred girls graduating, you call each one by name. You know our plans for the future; you are familiar with our past years. You have been a guiding hand through our last four years; you have advised us in view of the next four. It is almost incredible that you should treat each girl's question with the same amount of everlasting interest. No problem is too trivial for your attention; no problem is too weighty for you to cope with successfully. You have been a friend, an adviser to all of us, and each girl who is graduating considers you her personal friend. Yours is a position requiring patience, willingness, and complete understanding. No one could have fulfilled it better in the past years than you have.

MR. FREDERICK A. KAHLER

DEAN OF BOYS

Three are your particular gifts that make you a popular dean of boys: a magnetic personality, an understanding of human nature, and good sportsmanship. You hold the confidence and command the respect of all those who come in contact with you. You have that winning quality of companionship, and an ingenious way of judging character that seldom fails. You are well liked for your active interest and cooperation in all school projects, and your patient, capable handling of all the matters brought before you. Your services as senior adviser chairman and as dean of boys have been appreciated by the boys of many classes. Your words of advice, fellowship, and inspiration will long be remembered by the boys of New Trier.

MANAGER

MR. W. L. BROWN

Mr. W. L. Brown is Business Manager for the school and also Director of Reference and Research. In this capacity he conducts surveys which are invaluable to the administration. It is due to him that we have our present system of registration, which he still supervises though a great part of that work has been taken over by the registrar. Through his constant research work in various fields, it has been possible for the administration to accomplish things which otherwise would have been difficult.

DEPARTMENT HEADS

First Row (left to right): Miss Murphy, Miss Ullrick, Mr. Childs, Miss Boulton, Miss Libbey.
Second Row: Mr. Snyder, Mr. Small, Mr. Windoes, Mr. Johnson, Mr. Biesemeier.

REGISTRAR

MR. H. H. HERRON

Mr. Herron's work as Registrar includes many sidelines. In addition to being in charge of most of the technique of registration, he supervises student driving and parking, assignment and control of locks and lockers, information through bulletin notices and several other routine matters. Due to his work in these fields, the troublesome matters of business are made easy for the student body. It is his efficient work that has made the Registrar's Office a valuable part of the school.

ADVISER CHAIRMEN

First Row (left to right): Miss Shaw, Miss Maloney, Miss Brady, Miss Hurst.
Second Row: Mr. Grinnell, Mr. Persing, Mr. Vernon, Mr. Kahler.

In Memory of Miss Olive L. Grover

The thought of whose magnanimous and high-minded spirit will always be a source of inspiration for those who must now continue without her. Her loss as an artist and a friend we feel is irreparable.

In Memory of Miss Jessie M. Sentney

Her interests and enthusiasms were manifold, her vitality was boundless, her loyalty and devotion to her friends were immeasurable, her courage in the face of suffering unflinching. The great admiration of those who knew her can be equalled only by their love for her and regret at her passing.

In Memory of Miss Beulah B. Hall

Her joyousness of heart lightened the tasks of those who worked with her. Although her time with us was short, a gentle sense of humor, a courageous and youthful spirit leave their own poignant memory in the hearts of all who knew her.

F A C U L T Y W O M E N

First Row (left to right): Mrs. Pinn, Miss Shaw, Miss Paul, Miss Clark, Miss Hurst, Miss Murphy, Mrs. Holland, Miss Packer, Mrs. Smith, Miss Johnston, Miss Small, Miss Gerup, Mrs. Abbott.
Second Row: Miss Adair, Miss Hubsch, Miss Brady, Mrs. Rehage, Miss Maloney, Mrs. LaMetre, Mrs. Gillson, Miss Bredin, Miss Evans, Miss K. Wilson, Miss Clement, Miss Anderson, Miss Breidenbach, Miss W. Wilson.
Third Row: Miss Boulton, Miss Henningsen, Miss Hadden, Miss Cole, Miss Stanwood, Mrs. Rosbe, Miss Healy, Miss Fulton, Miss Moschel, Miss Walton, Miss Weiler, Mrs. Bradburn, Miss L. Hamilton, Miss Flentye.

Believe it or not, the faculty do have outside interests and hobbies. Many are their serious activities. Miss Evans and Miss Hamilton are violinists of the first order. Mr. Snyder is a well known concert singer, singing on many North Shore programs. Mr. Peterson is likewise a musician, playing the cello in the North Shore orchestra. Miss Packer loves music and makes it a point to attend musical programs at every opportunity.

Many are the athletes among the faculty. Miss Maloney plays golf. Yes, she does, and Mr. Funkhouser is a life guard, as is Mr. Grater. Miss Hurst rides horseback, and Mr. Jackson, not being able to get away from the water, often fishes. "Duke" runs a camp, as everyone knows, and Mr. Rau, helps out the government as a Yellowstone Park official. Mr. Bridges does his good deed by acting as a boy scout officer. Mr. Pifer's job as president of the Wilmette Garden Club keeps him busy much of the time.

Dramatics claim the allegiance of many of the faculty. Mr. Coburn acts and directs plays, and Mr. Gaffney has acted in several. Mr. Small not only writes Latin plays but he directs them and acts in them. Radio and drama are Mr. Van Kirk's interests.

Mr. Hutchens conducts classes at Northwestern, as does Miss Ullrick.

Tropical fish are Mr. Schumacher's hobby. He breeds them and sells and trades them. He plays chess in his spare moments. In Indiana, Mr. Showley conducts Showley's Summer Resort each year. Miss Burchard keeps house and entertains beautifully. Mr. Jones is an expert on stage lighting, while Mr. Biesemeier can tell you anything about aviation. Last but not least, Miss Wright maintains a home and in the past has brought up and given a home to several girls.

For the rest, they too have hobbies, and many are busy with home and family.

Third Row: Mr. Carpenter, Mr. Wehr, Mr. Pifer, Mr. Reiley, Mr. Rau, Mr. Smith, Mr. Schumacher, Mr. Aram, Mr. Ream, Mr. Holland, Mr. Lehman, Mr. Vernon, Mr. Coburn, Mr. Van Kirk, Mr. Stowley.

This year there are among the faculty many new personalities, more or less familiar to us by now.

Miss Walton, who lives in Wilmette, and who has her B.A. from Northwestern, came to New Trier this year after doing secretarial work and now teaches math.

In the history department is Mr. Coburn, who has M.A. and B.S. degrees from N. U. Mr. Coburn is a veteran in the dramatic world, having done Little Theater work for ten years, as actor and director. Mr. Coburn is married and lives in Wilmette. Also in the history department is Miss Weiler, a De Paul and Northwestern graduate, with her home in Chicago. Miss Small, new in the language department, is another New Trier grad with her degree from Northwestern, where she was Phi Beta Kappa.

Miss Gerup, an English teacher, and Mrs. Collins, were both in Aberdeen, South Dakota, when Mr. Gaffney was there. Mrs. Collins has taught at Indian Hill Academy and lives in Chicago.

Directly from Northwestern come Miss Johnston, science, and Mr. Hoskins, mathematics. Both came after experience as cooperative teachers. Miss Clark, in the commerce group, is also a Northwestern graduate, whose home is in Ottawa, Kansas. Mr. Prendergast, from Dubuque, Iowa, now teaches French. He went to Catholic U. in Washington. Before coming to N. T., he taught at De Paul Academy in Chicago.

In the physical education department, there are two new instructors, Miss Adair and Mr. Sandvig. Miss Adair is a graduate of Wellesley and taught at Rye, N. Y., before coming here. Mr. Sandvig has been a camp worker and teacher, and was physical director at Eli Bates settlement in Chicago. He graduated from George Williams College.

T. N. T.

T. N. T. is the organization through which the school honors students outstanding in ability and achievements. Each year not more than twenty-four seniors and twelve juniors are chosen as members, in respect to their leadership, service, and character. T. N. T. (tenax, nobilis, triumphans) is the Latin phrase for steadfast, noble, victorious.

This year Miss Packer withdrew as faculty advisor to the group, to be replaced by Miss Hadden and Mr. Windoes.

The officers for 1936 were Bill Snyder, president; Beth Bryson, vice-president; Sue Spinney, secretary-treasurer.

The purpose of the Honor Society is to give formal recognition to outstanding scholastic achievement. Membership signifies that a senior, for three semesters has been in the upper 10% of the class. Anyone whose average has been 3.20 automatically becomes a member, but those with averages below 3.00 may not be admitted.

Honor Society, by its recognition of diligence, provides an incentive to scholastic effort, and thus becomes a definite aid to a high N. T. standard.

The school year 1935-36 brought the Student Council into the third and most successful year of its existence. The four officers were this year elected for the first time by the popular vote of the students under a new system set up at the end of last year. The officers were: Dewitt Jones, president; Bill Spinney, vice-president; Kay Wenter, secretary; and Beth Bryson, treasurer.

The majority of the Council's work is done through its various committees. These committees are headed by chairmen who make up the Inner Council. The president selects the committee heads at the beginning of the year, and they take up their duties as soon as the Council approves their appointment. This year's committee chairmen have done unusually fine work and a large part of the Council's success is due to their efforts. These chairmen were:—Beth Bryson, finance committee; Peg Stein, inter-school relations committee; Jack Byrum, charter and contact committee; John Sprenger, social committee; Gerald Taber, handbook committee; Bill Snyder, mess hall committee; Kay Neeves, publications committee; Bill Knepper, building and grounds committee, and John Frankel, assembly committee.

One of the most important projects undertaken this year was the Activities Ticket. The finance committee did most of the work in launching and promoting the ticket, but the whole-hearted cooperation of the entire Council made it the success that it was. The officers

of the Council made plans a few weeks before the opening of school whereby the tickets could go on sale and be in the hands of the students before the first football game of the season, which came during the first week of school. The plans worked out most successfully and over sixteen hundred tickets were sold.

Peg Stein's inter-school relations committee did an excellent job. Among their many fine accomplishments was an extensive safety drive which was very beneficial to all.

Through the Council's efforts several different speakers were brought to New Trier to assist the students in their selection of vocations.

The charter and contact committee has worked hard this year to work out a plan whereby no club could continue without justifying its existence, and since many clubs were just existing and that was all, this plan has really done much to put them on their feet again.

A series of class assemblies were sponsored by the entire Council in order to acquaint the students with the manner in which the Council works.

The Council has tried this year to come in closer contact with both the student body and the faculty. This has been accomplished by fine student cooperation through the Council representatives.

REPRESENTATIVES

This year marks the tenth anniversary of the Tri-ship Club. In the spring of 1926 Mr. Frisbie joined with a group of senior boys in reorganizing the Hi-Y Club and laid the foundations for the present Tri-Ship Boys' Club. Into it they wished to incorporate certain ideals which would help the student morale in the school, from which the name is derived. Citizenship, sportsmanship, and fellowship are the three ideals which have grown throughout the ten years of the club's existence.

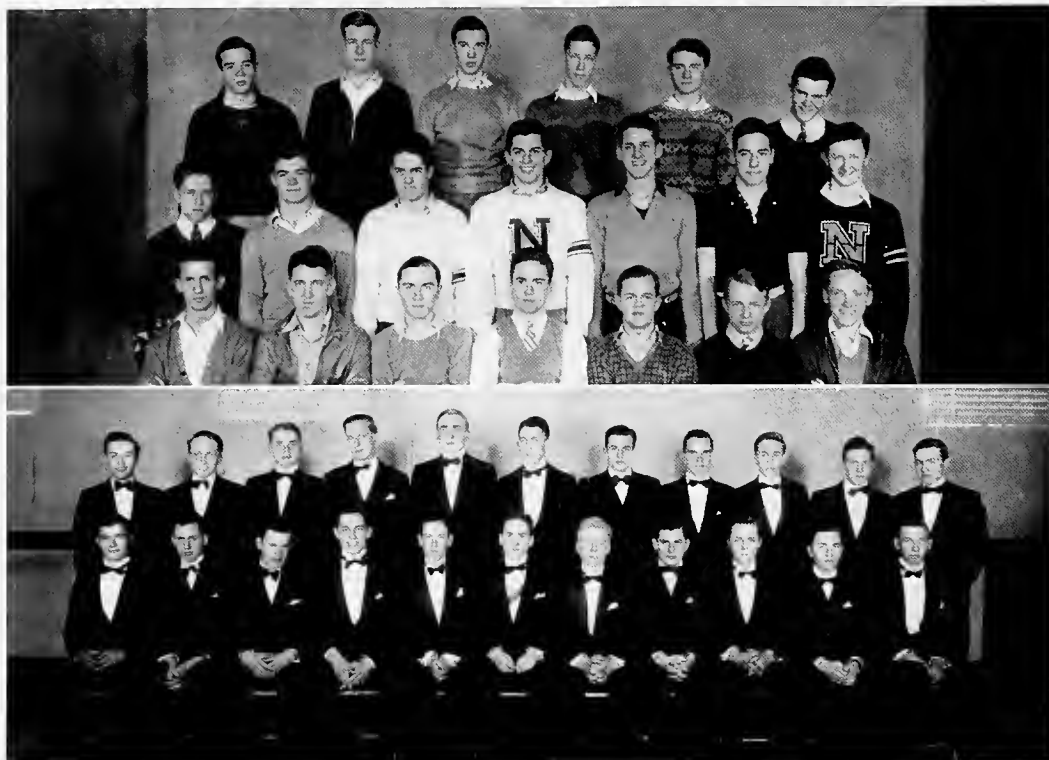

Every boy automatically becomes a member upon entering school. The activities of the club are so arranged that each fellow feels that he is an integral part of the organization.

The years 1926-1936 have seen the displaying of wide and unusual talent at New Trier under the auspices of the Tri-Ship. Such well-known personages as Count Von Luckner, Admiral Richard E. Byrd, Harvey Woodruff, Major Griffith, and Madame Schumann-Heink have graced the New Trier auditorium. These have been supplemented by two radio shows and a WLS Barn Dance, all of which displayed popular talent.

Nineteen thirty-six has been a fitting one to celebrate ten years of faithful work by the club. It has seen the work of a conscientious group of officers and committee chairmen who have enabled the club to present a well-rounded program. Early in the fall Admiral Byrd made a return engagement of two performances, one in the afternoon for the students and one in the evening for the adults of the township. An unusually successful football season was climaxed by a "State Champs" dinner, at which such grid notables as Coach Waldorf of Northwestern and Bill Hewitt and Beattie Feathers of the Chicago Bears were present. Pat Flannigan was master of ceremonies. This banquet balanced well with a fathers-sons dinner later in the year, at which Mr. Harwood, the naturalist, showed many of his trained animals.

Perhaps the most popular event of the year was given early in March when Miss Cornelia Otis Skinner gave a series of sketches before a capacity audience. The final show presented by the club was the Sports Carnival, the seventh of April, at which parents and friends of New Trier students were given the opportunity to see athletic activities at New Trier which they might otherwise have missed. The year would not have been complete without the Tri-Ship Dances, and each of the four proved increasingly popular. Probably the Pound Dance and the Program Dance were the most entertaining. A novelty in the way of a checker tournament was ably carried out under the management of Ken Cowan, club-room chairman.

The Usher Corps, headed by John Records, has had a busy year, working ever Sunday night for the New Trier Sunday Evening Club besides carrying out the Corps' normal duties. The Information Desk likewise is under the management of the Tri-Ship Club. Still another branch of the Tri-Ship is the Cheerleaders, who have lent a pleasing air to our football and basketball games this season.

"STATE CHAMPS" DINNER

Probably the most important committee of the Tri-Ship Club is the Student Aid Committee. This group has charge of all the work of a charitable nature among the boys. The funds which it uses are the proceeds from the aforementioned programs. This committee gives aid to many of the students who otherwise would not be able to go to school. At Christmas time, in cooperation with the Girls' Club, it distributes food and clothing to the needy of the community. This committee is under the chairmanship of Bill Beebe.

The prime ambition of the Club is not to make money nor to become well-known for its fine entertainment, but to attempt to build a high spirit among the boys and to interest all of them in school affairs. This is well accomplished through the weekly meetings of the student representatives.

Each year the Tri-Ship Award is given to the senior boy who has best lived up to the Club's ideals of Citizenship, Sportsmanship, and Fellowship. This year the prized cup was given to Dick Campbell.

Not enough credit can be given to Mr. Frishie, faculty sponsor, for the fine aid he has given the Club since its inception. His advice has been of constant value to the welfare of the Tri-Ship in its tenth year.

The Girls' Club of New Trier, founded fifteen years ago under the guidance of Miss Wright, was organized to promote friendship and good will among the girls, and to provide financial aid for those who are in need. Every girl who enters New Trier automatically becomes a member of the club.

Because the school has grown so large, it has been increasingly difficult to achieve our worthy aims. However, among all the girls at New Trier today, there is a friendliness and unity of feeling that proves that these aims have been attained. The girls of New Trier may well be proud of the year 1935-36, for it has been one of the most successful years in the history of the Girls' Club, despite adverse economic conditions.

The Publicity and Arrangements Committee, under Shirley McCoy, was in charge of the Club Room and kitchenette. These rooms have been furnished entirely by the Girls' Club. They are used for meetings of school clubs, for adviser room teas, and for faculty parties, as well as for the Girls' Club social functions and business meetings. The Club Room is also used daily by senior girls for honor study hall. The fine publicity this committee gave the club's projects increased their success considerably.

The Employment Committee, headed by Bettie Faxon, performed an excellent service in securing positions for girls under the most discouraging employment conditions.

The club's acts of charity, even though unpublicized and unheralded, were nevertheless many and truly helpful. Under the direction of Marsha Huck, the Charity Committee provided gymnasium equipment, books, padlocks, and other school accessories. This committee cooperated generously with the school Health Department in providing glasses, dental care, and X-ray service, and sundry medical attention for needy and

deserving girls. They also sent one member to represent the New Trier Girls at the Junior Red Cross meetings in Chicago.

The Social and Friendly Committees, headed by Betty Clements and Lucie Dix, have had a strenuous year with gratifying results. They gave a Freshman-Senior Party at the opening of the first semester to introduce and welcome the freshmen girls. Later they gave a tea for all the new upperclass girls so that they might become acquainted and thus establish the foundation for happy school associations. On Saint Patrick's Day the Mother and Daughter Banquet was given, attended by seven hundred and fifty persons.

The Girls' Club has enjoyed an exceedingly successful year financially. As usual, hot dogs, pop, and taffy apples were sold at all home football games, and candy was sold at the senior play. The Financial Committee, under the direction of Florence Hagenah, aided materially in building up the scholarship fund. From this fund the Girls' Club contributes various amounts to assist in the college education of worthy girls. Some of the girls thus aided have later, under more fortunate circumstances, refunded the sums that the club had advanced. This June the club will be able to make available over eight hundred dollars for scholarships.

Under the guidance of Pat Hutchinson, vice-president, the girls waged their annual magazine drive so well that the club made a six hundred dollar profit. Prizes were awarded to the four girls selling the largest number of subscriptions.

The committees and all the club members cooperated whole-heartedly in giving the biennial bridge party on April twenty-fifth, which developed into the outstanding event of the year. During the winter the club, with the valued assistance of the Music department, presented to the school a Steinway Concert Grand Piano.

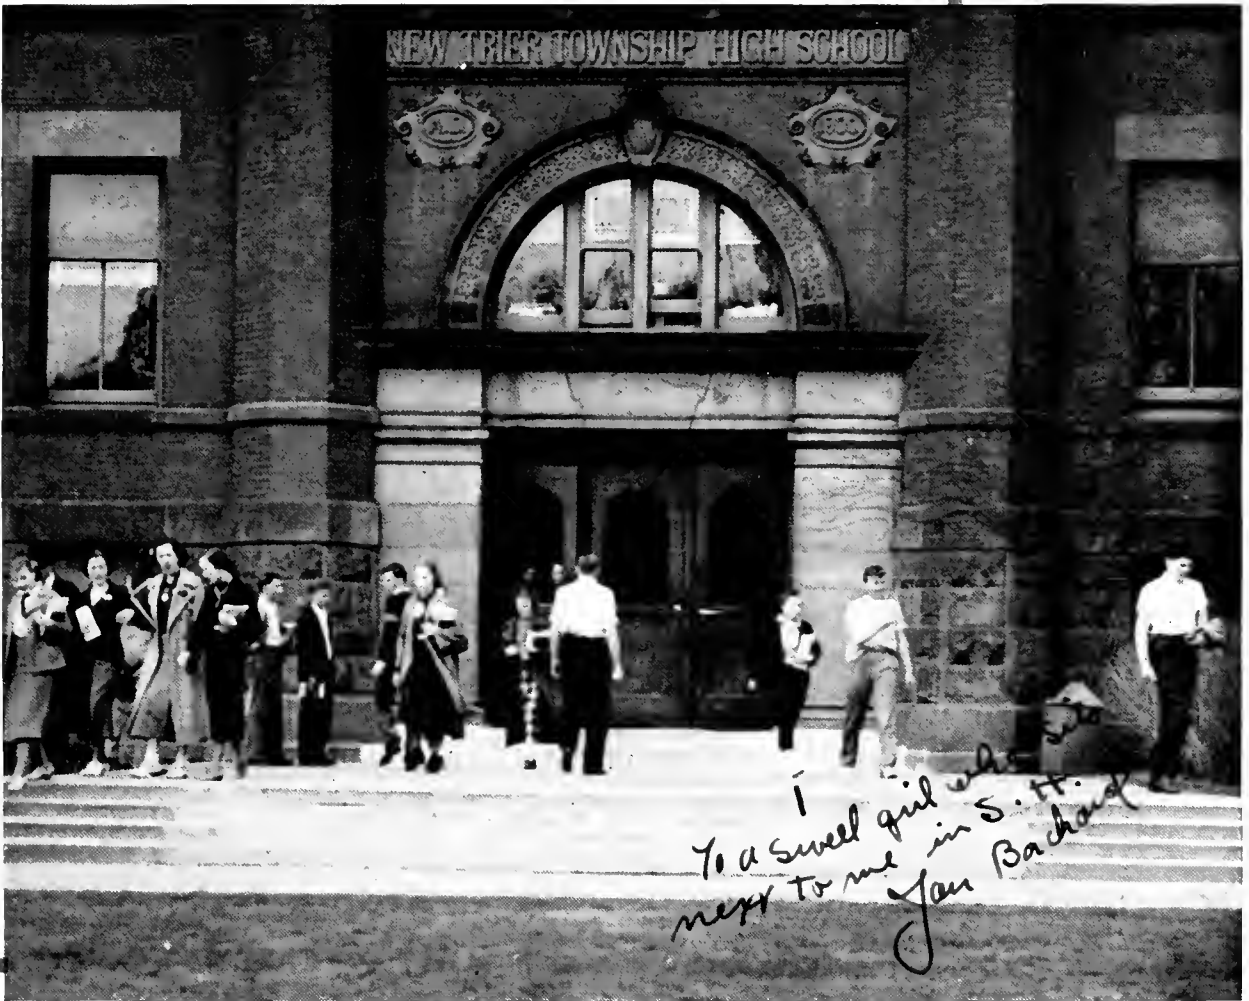

The traditions of the Girls' Club, now so well established at New Trier, have been ably carried on during the year 1935-36 under Peg Hutchinson, president, Pat Hutchinson, vice-president, Betty Burlingham, secretary, and Virginia Coulter, treasurer. Of course, much of the credit is due to Miss Wright, the club's faculty sponsor, for her splendid guidance and sincere helpfulness.

A forward glimpse we give you
 Of classmates sometime hence.
 The time is 1950—
 Our source book—common sense.

Bill Beebe is the back stroke king.
 Bob Brown sings like a second Bing.
 In these professions two girls rank
 A swimmer, Hearne—a singer, Shank.

McCoy is a life-saver in certain cases
 With her cream that adroitly de-freckles
 girls' faces.
 And Lavery still is friend Hitler's delight
 Waving Swastikas each Wednesday night.

Notre Dame's Irish are coached by Harvey
 Feminine critics say his teams are "marvy."
 Van Hemert's speech has swung the election
 And many candidates seek his protection.

Hagenah's elite new bridge club
 Is not your place if you're a dub.
 In her clinic millions find
 Comfort from Miss Earlywine.

Hammond's an architect with fame
 An Empire State to him seems tame.
 A designer too is Stevenson
 Her frocks for Vogue can't be outdone.

G-man Dunshee shoots 'em dead
 With faultless aim and bullets lead.
 But this means business for old Klaner
 A funeral man—he's all the gainer.

Chicago's crime is purged by Brand
 For he is mayor of gangster land.
 Chicago too holds Raclin's fate
 For he sells apples at Wabash and
 State.

Lightbody—known as André now,
 Is busy showing ladies how
 To fix their hair—while every week
 O'Connor models coiffures chic.

Because of Babcock's wit and poise
 He's won his battles for "de boys"
 He's a lifeguard now this Hoffman lad.
 He saves the girls and make them glad.

Yes, here you've seen the faces, here you've read
The records of the seniors you have known.
You realize 'tis they in chief who've led
The school this year, and likewise have they shown
A spirit loyal, which in them is right.
You've read with pride, which in all truth's the due
Of those who've done their best at school in spite
Of any obstacle they met and now are through.
But stop not here your reading of the page.
Turn onward, read of those on ev'ry side,
Whose efforts are not less, though their great year
Is yet to come: and though the shining stage
Has not been theirs so long—We point with pride
To future leaders, members of New Trier.

ATHLETICS

The exceptional facilities at New Trier make possible a very attractive physical education program including interscholastic sports. The gymnasium is the envy of other schools in this region. The athletic field affords room for several practices and contests at one time. The new swimming pool, almost completed, will excell any other west of the Appalachian mountains.

These facilities are used by hundreds of New Trier boys every day.

C O A C H E S

So much credit is given to the members of a championship team that often little thought is given to the men who were responsible for the blending of the rough material into a well-organized unit.

This year we had a super football team and credit should go not only to the squad itself, but also to its head coach, Mr. Aschenbach, line coach, Mr. Caton, and scout, Mr. Delaporte. All of them have put years of experience into the forming of this unusual team.

"Uncle John" Nay has been responsible for a number of championship track squads in the past few years. The most outstanding track trophy was won in 1934 when the team took the State Championship. However, Mr. Nay and his able assistant, Mr. Delaporte, have consistently turned out better than average teams while they have been coaching at New Trier.

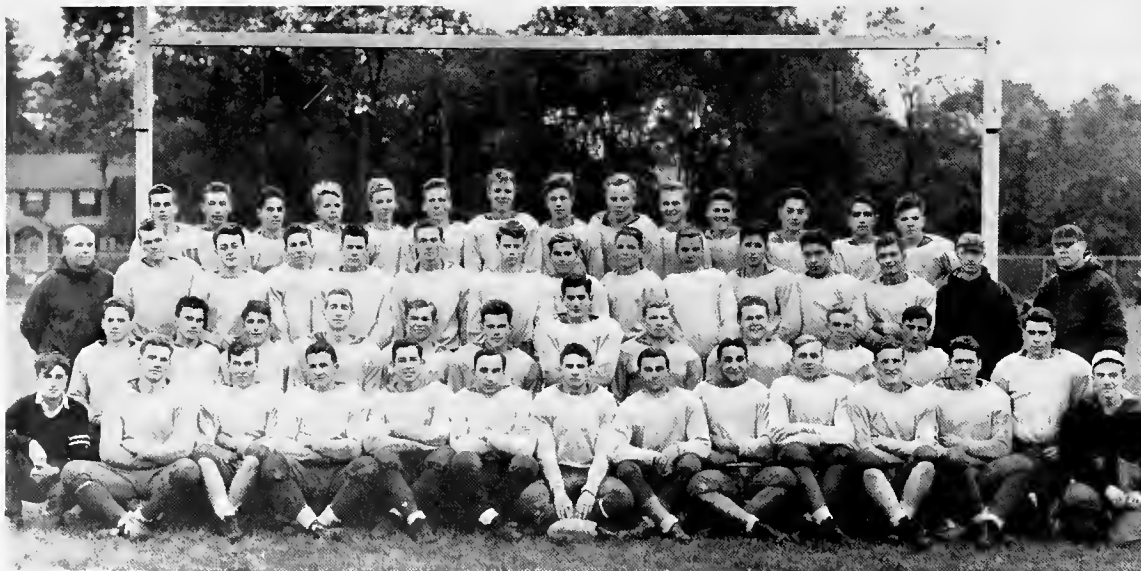

Basketball and baseball have long been favorite and outstanding sports at New Trier, the former taking many trophies in the last decade. Here credit goes to Mr. Grater and Mr. Ream who have been responsible for their successes. Mr. Sandvig, although here only a year, has done well with the Frosh-Soph baseball team.

The past record of the swimming teams speaks for the ability of our Mr. Jackson and Mr. Condon as their coaches.

Mr. Flaningam and Mr. Aram also have guided the tennis and golf teams to championships.

FOOTBALL CHAMPIONS

If the senior class remembers only one thing from its high school days, it will be the football team which represented them in the fall of 1935. This was a team anticipated for two years before it made its appearance and it was a team that lived up to all expectations. It was fitting that the members of the first string were all seniors. To the senior class that fact made the downfall of Evanston and Oak Park doubly sweet and gave the State Championship title an added significance.

The team swept through their first games in stride, defeating Woodstock 32-0, Morton 19-0, Bloom 6-0, and Proviso 13-6. These last two gave the team a good fight but our superior squad finally wore them down. A closely won game with Waukegan prepared the squad for the annual battle with Oak Park. Past beatings were avenged when Oak Park came to Phelps Field. The Treverians outplayed them

CO-CAPTAIN DOSTAL

from the start to finish and clinched the Suburban League Title by a 13-7 score. Next were two breatherers with Deerfield and Dundee, New Trier defeating both by wide margins. On November twelfth the squad met Evanston at the latter's field. We defeated Evanston 21-6. That victory on Evanston's rain-soaked gridiron meant more to the coaches, the team and the entire school than did any other game of the season. On the following Saturday New Trier journeyed to Moline, Illinois to engage Moline High, champions of eastern Iowa and western Illinois. This intersectional clash excited a great deal of interest in the tri-state area, Moline celebrating "M" men's day. Friday evening and Saturday morning the team and the coaches were given a rousing welcome, Mr. Aschenbach speaking from the local radio station. New Trier had to play a hard, close game, to defeat

the stubborn Moline eleven, coming out at the long end of a close 9-0 score. The winning of this game definitely proved the championship calibre of the team and established New Trier as the foremost claimant to the mythical state title. The team was finally hailed as State Champs when they swamped a light but courageous team from Champaign, Illinois, 22-0, in freezing weather before a capacity Thanksgiving Day crowd.

This 1936 squad presented a group of players who will stand out in years to come as the best athletes of the past decade to stand together on our field. Co-Captains Dostal and Campbell were the key men in a line that outcharged and outfought every team they faced. Dostal displayed such speed and courage as to be our representative on the All-State eleven. Campbell was a grim, determined player through whose position few plays squeezed. His fight and ability elected "Soup" to the All-Suburban

Team. Waldorf at guard and Harvey at tackle were two of the heaviest men in a line that averaged 180 pounds. These two players made it tough for any opposition directed their way. The center position was held down by Raclin, a clever and skilled man. Klein, Brown, Haas, and Cowan were all splendid players, making the battle for the end position a tough one. Of these four, Brown made All-Suburban.

The backfield, controlled by Snyder and Klaner, was the best in the league and probably the most outstanding in the state. Perhaps the outstanding man was Laing, a shifty halfback. Laing managed to pile up forty-eight points during the season to run a close second for league honors in individual scoring. He starred in every game and provided many thrills through his running ability. However, his ability to pass and kick as

KLEIN

BROWN

C H A M P I O N S

well as to carry the ball was what elected him to the All-Suburban Team. His running mates, Gallagher and Rothermel, shared the burden of ball-carrying, both doing their part in the victory march. Gallagher as a receiver was the best back on the team, and his memorable snare of Laing's long toss in the closing seconds of the Proviso game enabled the team to win by a close margin. Snyder and Klaner as field generals shared the quarter post. Snyder did most of the punting, his able toe pushing many a team deep into their own territory. At fullback, Borovicka was a veritable stone wall on defense and a powerful charger on offense.

However, a team without capable reinforcements is no team at all, and this year New Trier was lucky to have substitutes who were in many instances as good as the men they replaced. Tackles, Jones and Lineburger; guards, Simon, MacDonald, Brown, Jost and Lamb; center, Hanson; ends, Morton, Nevins and Records; backs, Fritschle, Specht, Stebbins, Versino and Carlson, were all invaluable.

Likewise credit must be given to Clark, Jorjorian, Krause, Brown, Chapin, Weil, Fisher and Spinner for their ability to stay right with the team.

And yet the team deserves only part of the credit for the remarkable showing this year. Not enough can be said for Mr. Ashenbach, head coach, and his assistants, Mr. Caton and Mr. Delaporte. For two years Mr. Aschenbach has been building up to this team, realizing its potential power long before it was assembled as a unit. His plans have all been directed towards this 1936 eleven and he did not fail. This team went through an eleven-game schedule undefeated.

establishing a new record at New Trier, and the coaches deserve a great deal of the credit. Mr. Caton as line coach and Mr. Delaporte as scout were both capable men.

Next year New Trier will have to build up an entirely new first team as the whole first squad will be lost by graduation. Captain-elect Bill Stebbins will have a great deal to live up to, but his team should make an excellent showing.

The team this fall did have a unique spirit. Seldom have the relations between the members of a squad, even a winning team, been so free of jealousy. Yet there was ample opportunity for bitter feeling when the difference between varsity and second team in some positions was slight. Seldom have players on a team boosted each other so willingly with but little regard for personal records. Seldom has there been such a total lack of grandstanding on a team boosted each other so willingly with but little regard for personal records.

Few teams have had so much order to add to New Trier's standing as a team. Few teams have had so much attitude characterized their play as a team would pull their heads in all their games, set their play as a team would pull

They have proved that quality, to be dragged out and est pride in New Trier and a part of the group and not as an

great a desire for victory in reputation and incidentally to No "die for old New Trier" play. Instead, they were level-headed in the knowledge that school spirit is not a forced displayed but rather an unwillingness to help it along as individual "grandstander."

Except for defeats by their traditional rivals, Oak Park and Evanston, New Trier's Frosh-Soph football team enjoyed a successful 1935 season, winning 4 games and losing 2 games.

The team defeated Waukegan, Proviso, and Morton for three consecutive victories but met its first nemesis in Oak Park. The Villagers downed them by a score of 21-0. However, New Trier beat Deerfield 21-7 and entered the Evanston game with high hopes. Evanston again proved the jinx to New Trier's team and defeated them 6-0.

The backfield, which was a constant threat to opposing teams, was composed of Younglove and Bemis at quarterback, McFadzean and Marchini at halfback, and Co-captain Wagner at fullback.

Coach Vernon Brown produced a fighting line which upset many a touch-down play. It was made up of Sublett, Lingle and Samuelson at the ends, Co-captain McNitt, Ogilvie, and Greenberg at the tackles, Raclin and Seifert at guards, and Dix and Reynolds at center.

Head coach Funkhouser and line coach Brown deserve a great deal of credit for their work.

Despite a strong start New Trier's 1935-36 basketball team ended the season in sixth place in the Suburban League. Coach Grater worked hard with the players from last year's lightweight and heavyweight fives, and ended the year with an improved showing over last season.

The lineup that started the season included Captain Fisher, Carl Wilson, Harold Finch, Arne Mauland, Chet Bland, and Maynard Kindt. Phil Dostal, Dave Haas, and Bill Snyder added to the team's strength when the grid season ended.

The Green-Grey displayed surprising strength in their four league victories. They whipped Waukegan twice, Oak Park and Morton once.

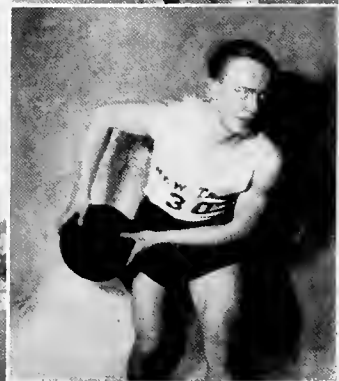

Although New Trier lost seven games, the Green-Grey was a strong team. This fact was shown as they beat Crane 34-32 and tumbled Morton out of first place, 39-30.

Captain Fisher was named all-suburban and finished high in the league scoring.

Captain-elect, Harold Finch, who has starred in two years of varsity play, receives New Trier's best wishes for a successful year and the champion's laurels.

To offset the discouraging season which the heavyweight team suffered, New Trier's Freshman-Sophomore quintet climaxed a highly successful season by tying Morton for the league championship.

Again it was the Evanston jinx which deprived the team of sole occupancy of the championship. The team clearly demonstrated its superiority over Morton by beating them twice during the season. Oak Park and Proviso were the only other teams to defeat the Treverians, as they annexed 9 victories and only 3 losses on their title march.

The lineup presented a strong front with Dick Reynolds and James McFadzean, two high scoring players, at the forward positions, Carey at the pivot position, and Wagner and Samuelson at the guard posts. Thompson and Dix also saw service during the season's course.

Too much credit cannot be tendered Coach Ream for his expert tutelage of these future varsity players. For the past few years he has given the varsity basketball players invaluable early training and this year he has produced a championship team of which New Trier is proud.

There is no doubt that the 1935-36 swimming team is by far the fastest team that New Trier has ever had.

In dual meets the squad won eight and lost three. Of the teams in the Suburban League, Oak Park was the only one able to defeat New Trier. In this meet the Grey-Green squad was well ahead until the final event, which Oak Park won, making a final score of $33\frac{1}{2}$ to $32\frac{1}{2}$. Despite this disappointment, the team was able to place well ahead of Oak Park in both the State and All-Suburban Meets. New Trier received its second defeat of the season from Maine in another closely fought contest.

In the Interscholastic Meet held at Waukegan, competing against swimmers from seven schools, Co-Captain Beebe, Ed Mack, and Co-Captain Wilson took firsts in their respective events. The 200 yard relay team placed second as did the medley team of Porter, Mack, and Hoffman.

New Trier's championship medley team of Beebe, backstroke, Mack, breast-stroke, and Wilson, free-style, proved to be the strongest combination in the State Meet. This same team holds the National Interscholastic record for the 150 and 180 yard medley relays. Harvey took New Trier's only other first in the State Meet, winning the 100 yard free-style. Both Beebe and Wilson placed in their events as did the 160 yard relay team composed of Wilder, D. Klein, Hess, and Harvey.

Other squad members who contributed to the fine record this year are: Ed Sullivan, Ted Buenger, Leslie Waldo, Eugene Simon, Bob W. Brown, Bill Spinney, Jim Neilson, Bernard Regan, Hiram Belding, and Lansing Henricks.

This year's Junior Swimming Team led by Paul Gullickson, Philip Mallen, and Fred Henschel won four dual meets, lost two and tied one.

The junior 160 yard relay team consisted of Don Garretson, Richard Kixmiller, Jack Menary and Gordon Kiddoo. Fred Henschel was a consistent winner in the breast stroke as were Paul Gullickson and Richard Kixmiller in the 40 yard free-style. Philip Mallen was the fastest 40 yard backstroker in the League. Mark Follensbee was New Trier's second man in this event. Bill Brown, Harold Molter, Bob Lawrence and Sam Vernon distinguished themselves in the fancy diving.

For the third time in many years New Trier's track team placed high in the State Track Meet. In 1934 it won the title easily with a number of firsts. Last year the team took a high second, placing a number of men in various events. This year through the efforts of Jones, Coonley, Cowan and Morton the team managed again to take second place. Jones won the 200-yard low hurdles and placed fifth in the 120-yard highs. Coonley came in second in the 440-yard dash with Cowan right behind him, and Morton placed fifth in the 200-yard lows. This fine showing is a result of hard and careful training throughout the entire track season.

Opening the indoor season with a decisive victory over Englewood, City League champions, the team swept on to successive victories over Evanston, Hammond, Ind., and Maine. Oak Park gave the squad its first defeat of the season in the former's field house. However, the day was not without victory

since the one-lap relay team of Snorf, Weil, Barber and Coonley defeated Oak Park for the first time in the latter's field house.

In the Indoor Suburban meet it was a race between Oak Park, Evanston and New Trier. Throughout the entire meet the points were very close for all three squads. Jones, out for a part of the season, took third in the high hurdles, followed by a second in the mile by Harrington. In the quarter, Coonley and Cowan took first and second, respectively. Other points were contributed by Murray, Morton, Jones, Gallagher, Fyfe, Snorf, and Johnson.

In the Oak Park relays New Trier took third, trailing Evanston and Oak Park by a few points.

As this goes to press the Outdoor Suburban is still to be held at Phelps Field, May 23rd. From all indications the team has an excellent chance to come out on top, though it will be a very close meet.

Although all point winners in the state meet were seniors the team is not lacking in ability as far as the juniors are concerned. Murray in the half-mile has been a consistent point winner, as has Snorf in the relays. Likewise Bernard Fyfe, Knoop and McFadzean have proven valuable to the squad.

Probably no sport has been such a consistent winner as has track in the last ten years. Every season has been filled with victories of one kind or another. "Uncle John" and "Del" have a right to be proud of their team.

New Trier's Junior track team is one of the best in recent years. Under the able leadership of Coaches Nay and Delaporte the squad completed a very successful indoor season.

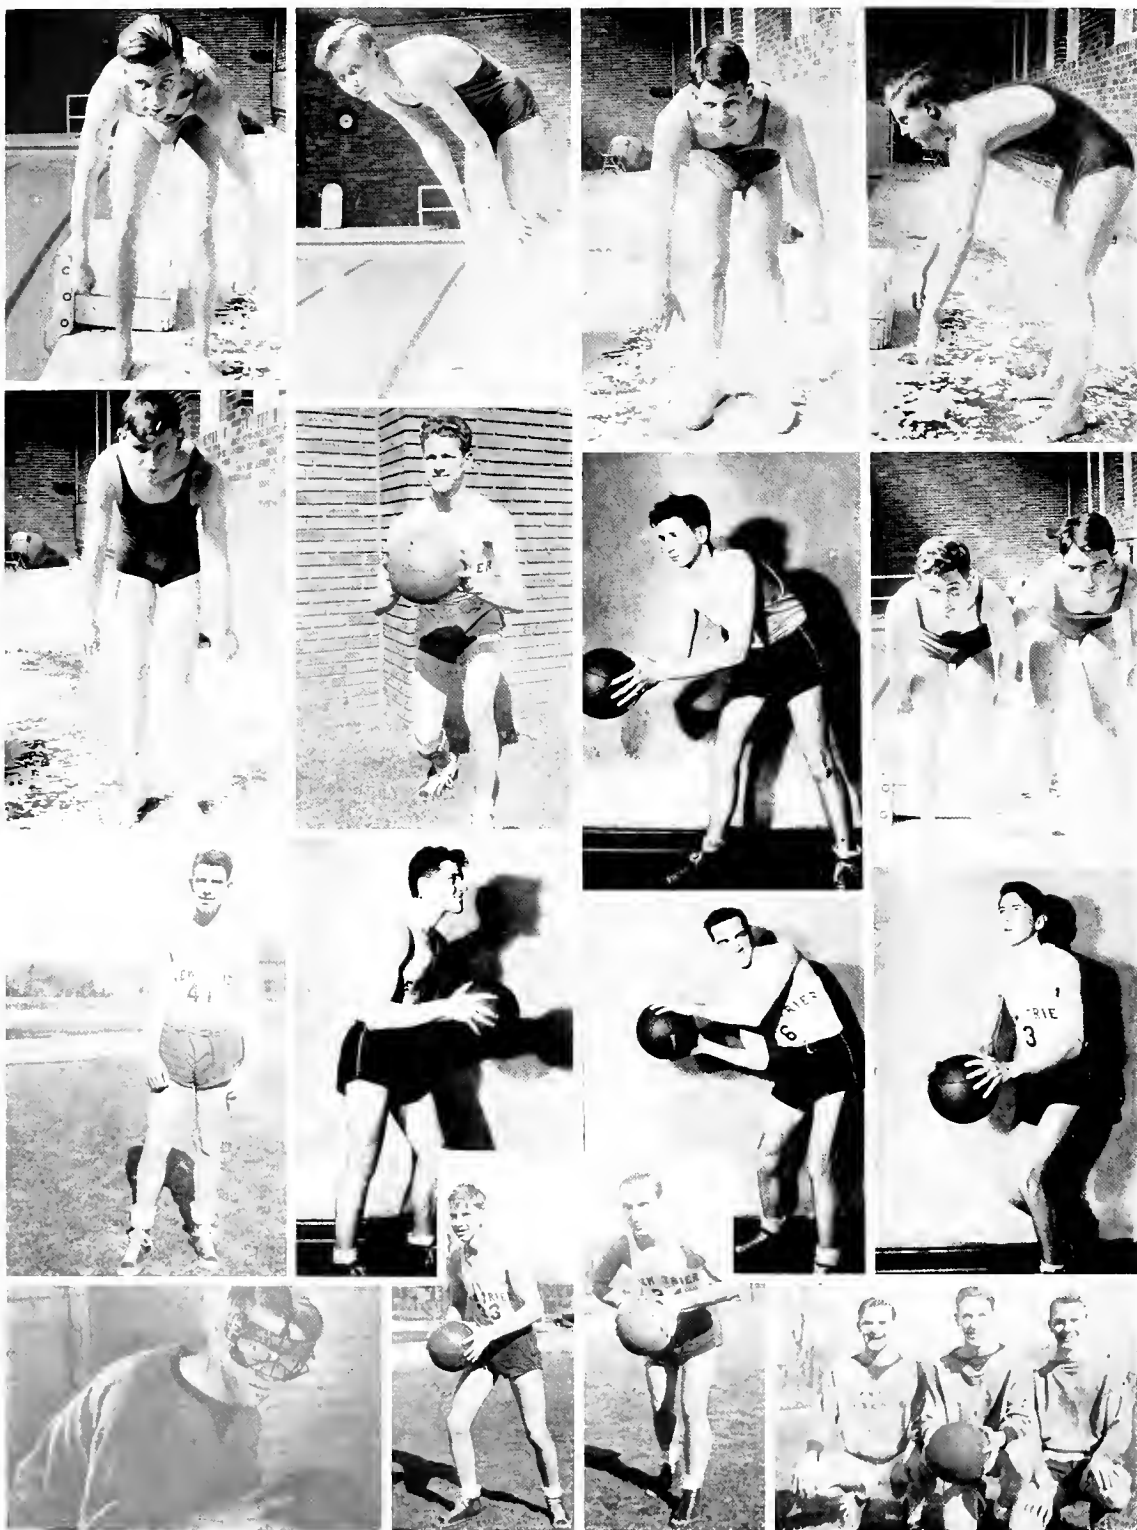

The only defeat suffered during the entire indoor season was at the hands of Oak Park. Victories were recorded over Evanston, Deerfield, Englewood, and Oak Park. The coveted Suburban indoor title was won by the Green-Grey on March 7.

A great deal of the team's strength was in the dashes with Monroe, Devinny, Eliot, Hinman, and Fletcher placing consistently in every meet. The relay team was also composed of these boys. In the other events with Jennings in the 660, Moreau and Wade in the high jump, Carey and Brown in the hurdles, Sublett in the shot put, and Devinny and Johnson in the broad jump, points were almost a certainty.

The team is looking forward to a fine outdoor session, hoping to annex the Frosh-Soph outdoor title.

The 1936 baseball team has not opened its season at this writing, but all indications point toward a successful season. Coach Grater has an abundance of material at all positions.

Captain Del Morton is the nucleus of the team at first base and with three years of varsity experience makes a leader who will lend his every effort towards a championship team.

The pitching staff is one of the strong points of the squad. George Glover, a junior, is one of the best hurlers in the Suburban League. Bruhn, Wade, Dehne, and Thompson, are the moundsmen who will support Glover. Roberts, Harvey, Finch, and Burnett will do the catching.

One of the fastest infields in the league cavorts around the basepaths for New Trier this year. With Morton at first, Driscoll at second, Ulrich at shortstop, and Haas at third, opposing batsmen will find it a job to drive base hits through the infield.

Cruttenden, Fisher, Nevins, Speredes, and Carlson will alternate in the outfield.

When Coach Sandvig issued the general call for Frosh-Soph baseball, the largest group of boys that ever reported for this sport responded.

After some delay, occasioned in handling the large group, "Sandy" cut the team to the following boys:

Pitchers—Bell, Adams, Jack Davis, and McNitt; catchers—Samuelson, Crawford, and Dix; first base—Borre and Thomas; second base—Meier and Bruschini; third base—Sauer and Jorgensen; shortstop—Dewey and Crowell; in the outfield in left field—Watt and Bohnon; in center field—Rion and Hermann; in right field—Marchini and Heinrichs.

At the time this article is being written the team has not played any games. The games scheduled are:

May 4—Oak Park at New Trier.

May 18—New Trier at Evanston.

May 25—Evanston at New Trier

May 27—New Trier at Oak Park.

The prospects for a championship team in nineteen thirty-six are brighter than they have been for the last six years.

Although Moreau and Workman were lost by graduation, George Victor, thirty-six captain, Franco, Gallagher, McIntosh, Lawrence, Michelson, and Chet Bland, present state champion, back after a short absence, will comprise the most formidable team the Suburban League has seen for many years.

The thirty-five season was very successful. Out of eleven games played, New Trier scored one hundred and one and one-half points while their opponents made but fifty-eight and one-half points. The lowest stroke averages were made by Victor with seventy-eight, Franco, eighty, and Moreau with eighty-three. Joe Franco won the Suburban League individual championship with seventy-six strokes. In the League four-man meet, Evanston nosed New Trier out by one stroke, taking three hundred and twenty strokes to New Trier's three hundred and twenty-one.

Coach H. B. Aram will lose Victor, Gallagher, McIntosh and Bland this June. This leaves but one regular, Joe Franco, about whom he will build the thirty-seven team.

This spring Coach Flanigam anticipates a repetition of last year's long string of victories. Although Bill Condry and Don Brown were lost by graduation in 1935, the remaining members of the team are all experienced veterans and will present a formidable front to any opponent.

The probable line-up will be: For the doubles — Tom Rodman and John McConnell, and Jack Harris and Dan Kreer will form an additional doubles team; for the singles — Art Nielsen, Bill Wade, and probably Dick Wade.

Last season was a most successful one for the New Trier team, for they lost only one game and finished first in the Suburban League in both singles and doubles. Condry took the singles, and the doubles were won by Rodman and McConnell.

Coach Flanigam will lose Jack Harris, Tom Rodman, and John McConnell by graduation in 1936, but Art Nielsen, Bill and Dick Wade will be back next year, and with the addition of a few now unseasoned players it is expected that the tennis team will have ample material to keep the championship at New Trier.

Functioning under the motto, "Sports and Sportsmanship for All," and with Mr. D. G. Showley as faculty sponsor and Phil Frye, president, John Dunhill, vice president, Clarke Kirwan, secretary, and William Barnum, treasurer, the 1936 Sports Club enjoyed a year of unrivalled success. The primary aim of the club is sports promotion and in connection with this, members of the club officiate, time, and score various intramural games. Among the intramural sports to which the club lends its valuable assistance throughout the year are football, basketball, volleyball, and playground ball. The club meets every Wednesday in the boys' gym lecture room, at which time the methods of officiating practice, varsity, and intramural games in different sports are discussed and reports are made by members on the officiating done by experts in high school and college games. Besides the officers, membership in the club is held now by Paul Eiden, Harold Huebner, Robert Huettel, Paul Kaspar, Charles Kuhnen, Bob Moss, Walter Neilson, Robert Raymer, Bill Werner, and Arthur Wood. The dues of the club are 35c for the first semester for new members and 25c per semester thereafter.

For officiating, scoring or timing the different intramural games, members are awarded various points. For refereeing one game 10 points are given. For scoring one game 8 points are given, and for timing one game 5 points are given. When interclass championships are played, the members officiating add 5 additional points regardless of the capacity in which they work. Scorers for free throw tournaments, etc., receive 8 points per hour or any part of an hour. Besides gaining points in actual officiating, 25 points are given to members bringing in a new member.

One or two outstanding Sports Club members who have contributed unselfish service to the club and in the promotion of intramural sports at New Trier are honored each year by having their names engraved on the Sports Club trophy which was presented to the club in 1930 by Mr. Showley. This year the members are William Barnum and Paul Eiden.

SPORTS CLUB

Seniors who have acquired six hundred or more points are eligible to receive silver medals specially designed for the club. The members receiving medals this year are: Phil Frye, Harold Huebner, and Clarke Kirwan. Besides the trophy and the medals for seniors, three grades of monograms are awarded active members who acquire 600, 1,200, and 2,400 points. Monograms are made of felt, embroidered felt and chenille. Paul Eiden was the only member to receive an emblem this year. He received the 600 point emblem. The most active members this year in the accumulation of points are William Barnum and Paul Eiden. Barnum has 1,139 points and Eiden has 9,171. All awards are made at the annual Sports Club party.

This year's Sports Club party, held in the spring of each year, took place on April 4th. Each club member is permitted to bring one guest. At the beginning of the party, captains are chosen who select their teams. Then games of table tennis, basketball, free throwing, and handball are held and the winners or winning teams are awarded points. Five are given for a first, 3 for a second, and 1 for a third. The team accumulating the greatest number of points is declared the winner and receives a generous amount of the refreshments as a prize. This party is one of the big events of the year's program and is looked forward to by all.

One of the most important boys' organizations in school, the Sports Club, has for years been the key to all intramural activities. It has been through the work of the members of this club that all the officiating, scoring, and timing of advisory games has been run off smoothly. The club has given many fellows an opportunity to learn the fundamentals of sports administration. The club has been fortunate in having as capable a sponsor as Mr. Showley who has given his time and effort to make the Sports Club as efficient as it is today. Although varsity sports claim the most popularity, it is the intramural games in which the majority of students participate. Thus it is important to New Trier that these games be fairly officiated and organized. Here the Sports Club has done a good job.

MISS FOGG

This year the girls of New Trier suffered a great loss when Miss Fogg left her position as head of the gym department to take a post at the Sargent School of Physical Education at Boston University. There she will do field secretarial work and lecturing.

Miss Fogg has been at New Trier since 1925. She graduated from Sargent School and took her B.S. degree at Boston University. She has always been actively interested in hockey, has written several articles on that subject, was Chairman of the Woman's Section of the Midwest Physical Education Association, and in 1924 and 1933 she traveled abroad with the American Women's hockey team as coach and manager.

Miss Fogg has introduced many new features in girls' athletics at New Trier. In 1925 she suggested the forerunner of our present point system, which was adopted in 1929. In the same year, she began to teach modern hockey to the girls.

In 1928, under Miss Fogg's supervision, the G.A.A. Constitution was begun. Besides Miss Fogg's definite contributions in these fields, she also taught swimming and hockey for many years.

It is not only because they miss her excellent supervision that the girls of New Trier suffered a great loss when Miss Fogg left. The girls loved Miss Fogg for her sense of fun and humor, her friendly spirit, and her companionship. It is with regret that the girls see Miss Fogg leave New Trier, but they whole-heartedly wish her the best of luck wherever she may be.

G. A. A. ADMINISTRATION

It is always pleasant to look back over a year when it can be regarded as one of the most eventful years in the history of the Girls' Athletic Association. Nathalie Waidner, president; Margaret Tideman, vice-president; Patricia Walsh, secretary, and Constance Clough, treasurer, were capably assisted by Antoinette Hearne, intramural sports chairman; Helen Shane, publicity chairman; Julia Booz, social chairman, and Betty Kopper, officials chairman. The success in sports was due to the heads of sports and the coaches.

In October, the first assembly of the year explained GAA to the freshmen. Hockey, soccer, riding, golf, and tennis were offered to all girls.

During the winter the enthusiasm displayed for rhythms, basketball, riflery, swimming, clogging and fistball surpassed that of all former years. At the December assembly, Miss Mary Jo Shelley of Chicago University discussed the history of the dance. Miss Packer presented the awards. The highlight of the season was the success of the swimming team which took first place over 35 other high schools in the Telegraphic Meet on March 26.

Early in April, the Spring Dance Festival, presented by the dance groups and the music department, marked the end of a very successful dance season. On April 4 a lacrosse exhibition game was played by well-known English and American players. Because of the interest shown in this game under the instruction of Miss Marjorie Lockley of England, lacrosse was added to tennis, archery, golf, riding, and baseball in spring.

Several important changes were made in the department during the past year. Miss Healy joined the department in the fall. Miss Fogg, for eleven years head of the girls' physical education department, left New Trier in the early part of February to accept a position at Sargent College. Miss Healy became head of GAA when Miss Boulton took over the direction of the entire department. Miss Adair, a new-comer to New Trier in February, became sponsor of intramural sports.

Miss Lockley was the speaker at the final award assembly. The annual banquet which takes place on June 4 will mark the close of a very successful year in GAA history.

Early in the season, an exhibition match was played by last year's sophomore and junior teams to induce those unfamiliar with soccer to try the game. The freshmen responded with a great deal of pep, and dribbled straight to the school championship, after defeating both the sophomores and the much surprised juniors. The seniors defeated the sophomores, after losing to the class of '37 in a fast moving game.

During the nine-week season, 318 girls came out for practice and advisor room games and over 100 made either first or second class teams. Most of the scheduled games were played, in spite of the rain, snow and mud. In the advisor room league, Miss Hamilton's freshman team and Miss Payton's sophomore players won their respective class tournaments, while the Cook-Vlasto combination came out on top in the junior-senior league. Shortly after the end of the season, soccer awards were presented at the regular fall assembly. The success of the season was due to Mrs. Rehage and Miss Healy, and to Catherine Birdsall, Head of Soccer, who was assisted by the class managers.

CHAMPS

This year's season was opened successfully with an exhibition game between last year's Sophomore and Junior Class Teams. Considering the fact that they had had no practice, they played an excellent game, and gave the new students and Freshmen a fairly good idea of the sport. Under guidance of the officials, 245 girls participated and received G. A. A. credit.

With Miss Boulton as instructor the Seniors and Juniors ran off a tournament for practice. The Sophomores practiced with Miss Healy all season. The Freshmen did likewise under Miss Fogg and Miss Boulton. Just before Thanksgiving, an inter-class tournament was run. Frances Messinger was captain of the winning team, the Sophomores. Antoinette Hearne's Senior team was runner-up.

An Umpiring Conference was held at New Trier. At this meeting, teams from various neighboring schools played, including a few girls from New Trier, who made up the Etcetera Team.

New Trier was the scene of the tryouts for the North Shore School-Girl Team. We were represented by Katherine Neeves on the first team, and Antoinette Hearne and Katherine Kendrick on the second team. Antoinette was substitute for the first team as well.

The swimming season was very successful this year with 144 freshmen, 102 sophomores, 62 juniors and 51 seniors participating.

The freshmen and the sophomores used the pool from November to February, during which period two meets were held before the inter-class meet, a fresh-soph meet and an inter-advisor room meet. The juniors and seniors then took over the pool from February through March, at the end of which time the inter-class meet was held. The senior team defeated the other classes which ranked as follows: sophomores, freshmen and juniors. This is the first time that one team has won top honors for four consecutive years.

The latter part of March we took first place competing against 36 high schools in the Telegraphic Meet. A team of fifteen of the season's outstanding players was selected; the meet was held in our pool. The girls raced against time; their scores were sent to headquarters at Wankegan High School.

Miss Fogg was instructor for a short time at the beginning of the season. When she left New Trier her work was continued under the capable guidance of Miss Healy.

There was a total of four hundred and thirty-five girls for the '35-'36 basketball season. The Juniors and Seniors occupied the gyms the 2nd quarter, while the Freshmen and Sophomores used them the 3rd quarter, the Freshmen leading in number and enthusiasm. The Seniors left a fine record by winning both their first and second team games from the Juniors. However, the scores were very close. In the first game, the Senior first team won by only one point, the score being 29-28. The second game was a hard one to win, but the score was 37-31.

The coaches this year furthered the girls' ability greatly. Miss Boulton and Miss Healy coached the Seniors and Juniors respectively and Miss Adair and Miss Boulton, the Sophomores and Freshmen. Due to our shorter season, there was difficulty in getting the tournaments finished. However, Miss Briedenbach's advisory again topped the Junior teams and Miss Evans', the Seniors. Miss Clark's Sophomores and Miss Hamilton's Freshman team B won the adviser room championships. At the end of the season, the Freshman class team beat the Sophomores in their class tournament.

The increase in the number of girls participating in Riflery resulted in two days of practice instead of one as it had been originally planned. Even with this increase only two-thirds of the girls signing up for the sport were able to receive G.A.A. points.

The first week was spent in demonstrating the use of the guns, range, etc., while the following weeks were spent practicing. After the class teams were chosen, a Fresh-Soph and a Junior-Senior match was shot.

To the juniors' delight, Miss Breidenbach's advisory took the 1935-36 Fistball championship in the double elimination tournament. Miss Weiler's freshman advisory played very well to take second place.

The sophomores had the largest turnout. Out of the 370 girls who participated in fistball, there were 120 sophomores. The double elimination tournament was won in each class by the seniors from Miss Donham's and Miss Hadden's advisor rooms, Miss Breidenbach's juniors, Miss Payton's sophomores and Miss Weiler's freshmen.

DANCING

Over one hundred and sixty girls turned out to learn many fancy tap steps. The beginners' class learned the waltz clog and a shuffle routine. The advanced group, working with more intricate steps, learned the military clog. Toward the end of the season, first teams were chosen for both the advanced and beginners.

Two hundred and twenty-five girls took part in an active season of Rhythmic Dancing. One hundred and twenty-seven of this number attended the beginner's class and ninety-eight were in the advanced group. The first six weeks were spent mastering the fundamentals of the dance while the latter six weeks were used in preparing for a most successful dance and music program. The program, which was held in the auditorium on April eighth, was repeated in part the following evening for the Winnetka Rotarians.

The golf tournaments in the fall were held at Techny Fields throughout the month of October. The enthusiasm and large attendance of after school archery were maintained this year, not only by the interest in the sport, but also by the excellent equipment and new targets that insured greater skill and accuracy. The girls with the highest average scores participated in the Junior Columbia Round which determined the school and class champions and terminated the archery season. The most exciting event of the year was the tournament with Evanston High School.

Horseback riding's third year as a G.A.A. sport was begun enthusiastically this year with ninety-seven girls turning out. The season consisted of nine weeks in the fall, which were spent in mastering fundamentals, and six weeks in the spring, which culminated in a highly successful horseshow. Jeanne Geither as Head of Horseback Riding, with Miss Boulton, the faculty adviser, both contributed to the popularity of this sport. The instructor this year was Miss Eleanor Getzendaner of the O-Ki-Hi stables, who introduced a novel method of riding which proved interesting and enjoyable.

In spite of the opera rehearsals and the advent of a new game, lacrosse, all three lower classes turned out in force with approximately 150 girls engaging in baseball. As usual the enthusiastic freshmen came out in greater droves but, nevertheless, there were enough sophomores and juniors to make an interesting tournament. Mrs. Rehage, the instructor, and Paisley Rockwell were favorably impressed by the showing of all three classes.

Tennis had a very successful season this year. There was an unusually large number of girls out for both fall and spring tournaments. Singles and doubles tournaments were held for all classes.

In the fall Nathalie Waidner defeated Nancy Moulton for the senior championship. In the junior class Renee Smith defeated Jean Woolhiser in a close match. The sophomore winner, Ann Schuman, was victorious over Frances Messinger. Meanwhile Lucille Heerens lost to Polly Neeves.

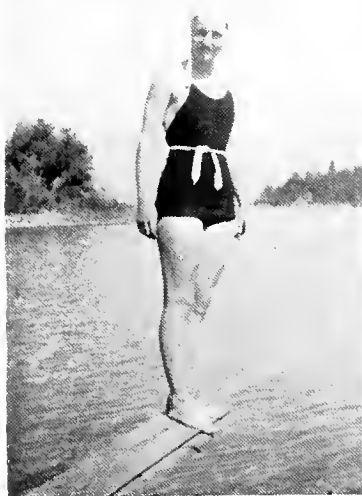

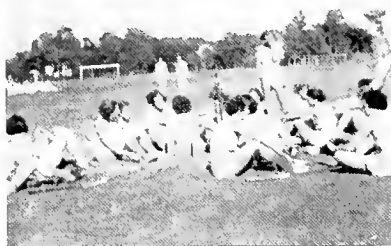

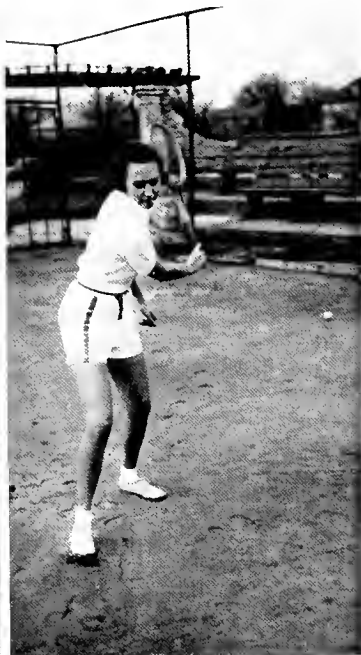

In a hard-fought contest Nathalie Waidner became school champion by overcoming her opponent Polly Neeves. Nancy Moulton and Jean Woolhiser came through to win the doubles from Florence Hagenah and Frances Orcutt. The spring matches were equally exciting.

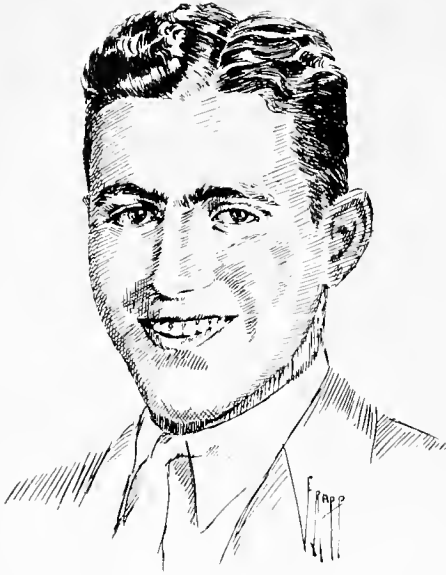

In Table-Tennis the senior, junior, sophomore, and freshman winners were respectively Florence Hagenah, Carol Letts, Mary Jane Clark, and Aimee Wolff. Aimee Wolff is champion of the school by her close victory over Carol Letts.

The year 1935-'36 was another fine example of the value of music in New Trier. Under the excellent direction of Mrs. Cotton, assisted by Mrs. Bradburn, Miss Anderson and Mr. Swigart, the department has done more this year than ever before to build up its already established reputation.

The department is composed of many individual groups and this year a new one was added, the "Treble Clef Club," which takes the place of the former Madrigal Club.

The main undertakings of the First Glee Clubs this year were the fall and Christmas programs and the opera, which was presented very successfully in the early spring. A great deal of credit for these programs goes to Mrs. Stults and Mr. and Mrs. Bradburn for their fine work in training the individual soloists.

The octettes have done excellent work and the recently organized choir has

made a special place for itself in the department by its fine work. These two groups also gave a very creditable program over the NBC network the twenty-second of December.

The most renowned event of the year, the annual Christmas Concert, was given December fifteenth. With the cooperation of the first and second glee clubs, the orchestra, octettes, choir and combined choruses, it was, as always, a huge success.

The band under the capable leadership of Mr. Schumacher has taken an important part in the football and basketball games and in the all-school assemblies.

The Senior and Junior Music clubs, organized for those particularly talented, have been an important factor in developing the growing student interest in music.

The music department will again take part in commencement this year, thus, undoubtedly adding an excellent finishing touch to their already successful season.

The big biennial event of the opera was very enthusiastically looked forward to this year. According to the well established tradition, a Gilbert and Sullivan was chosen. It was decided that the *Mikado*, a beautiful, colorful opera, would be presented on May 8 and 9.

As work commenced in early fall, all musical organizations were well acquainted with the *Mikado* music when the time for tryouts arrived in early January. As soon as the leading roles had been filled the serious work began. All had their parts to learn and the chorus had to be taught their dances. Mrs. Rehage did an excellent job of training the chorus and in helping the principals with their gestures.

The whole music department cooperated in putting on the opera, but particular credit goes to Mrs. Cotton who was able to train the many fine voices because of her past experience with Gilbert and Sullivan and to Miss Stanwood who had charge of the dramatic work.

MISS ELIZABETH STANWOOD
 MR. GORDON VAN KIRK
 MR. MINOR COBURN

This year the Dramatic department has done many outstanding pieces of work. New Trier has long been noted for the work it has done in this field. The student body, the faculty, and the friends of the school have been more than satisfied with the fine caliber of entertainment which has greeted them at each performance.

Under the able direction of Miss Stanwood, Mr. Van Kirk, Mr. Peterson and Mr. Coburn who is new to the faculty and was formerly a charter member of the club, many really excellent plays have been produced.

The first play of the year, "The Goose Hangs High," was presented November fifteenth and sixteenth. This, the annual junior-senior play, was a very excellent performance. A crowded house added much to its success. Due to the Activities Ticket the number in attendance was increased fifty per cent. This enthusiastic support helped a lot to produce a better quality of acting. During the intermissions the orchestra played several numbers. This made the performance even more enjoyable.

The next play of the season was "Tom Sawyer." It was presented on February seventh and eighth in commemoration of the centennial anniversary of Mark Twain. In this the underclassmen showed their ability as artists of the stage. Their fine showing assured New Trier that in the next few years it will not be lacking in dramatic talent.

This year, due to the opera, the senior play was unusually early, being presented March twenty-eighth and twenty-ninth. It equalled, if not bettered, previous performances. At this play the Girls' Club cooperated with the department by selling candy.

The opera, produced biennially, was the most important work of the Dramatic department. Gilbert and Sullivan's "The Mikado" was given May eighth and ninth.

The Dramatic Club itself is divided into three groups. The first of these is the Players' group. After taking a major part in two plays and attending faithfully rehearsals and meetings, one may become a member. This privilege is extended to only a few and is rarely attained before the junior or senior year. By far the largest group is the next, which is the Active Members. Those who have had a speaking part in one play are of this group. Lastly there are probationary members who have had only a minor part in one school play.

The other officers of the club are Gerald Taber, President; Ashton Taylor, Vice-President; Betty Faxon, Secretary-Treasurer; Betty Rosen, Program Chairman, and John Weese, Publicity Chairman. The officers presented many fine programs to the club. Among the speakers were Mr. Robert Weinecke, Mr. Van Kirk

and Mr. Coburn. One especially interesting program was at the joint meeting of Faculty and Student Dramatic Clubs when Mr. John Baird, a noted make-up artist, gave a very interesting talk on the subject of make-up. The evening was not only instructive and amusing but it produced a closer relationship between students and faculty.

The stage crew and property crew have worked faithfully toward the success of the plays. While much of the work of these groups is not heard of, without them, no play could have been put on so satisfactorily.

New Trier saw, this year, a continuous record of excellent performances of which it may justly be very proud.

At the close of this year the New Trier News may look back with satisfaction upon the record of its third year. For three years the News has been growing in popularity.

The News has followed its adopted form of weekly issues of four pages each and added to these three eight-page editions. In endeavoring to bring to the students an up-to-date publication with clear, concise articles and fresh news, this paper has done its job well.

The year has seen the News help to put many organizations before the students and has especially viewed a fine cooperation between the News and the Student Council in all projects that the latter has backed.

Besides publishing fine editorials and reviews the News has established such clever columns as "Exchanges," "On the Cuff," and a new "Peeps." The News has not been operated for profit; all the available funds were put into the publication, and the paper given the students was the best obtainable.

Much credit is due to the editors and the entire News staff for the type of publication that has been given to the students this year.

During 1935-'36, the second year of its existence, the *Inklings* has reached new and greater heights of success. The *Inklings* was published for the first time in the spring of 1935. It was such a success that it was decided that the publication should be continued. This year, with financial aid from the activities fund, the staff was able to put out two issues.

There is a great deal of work involved in getting the material together for this book, and the entire English department is responsible for the fine work that was done. Any student who had a contribution to make, turned his work into his English teacher who corrected it and helped him to make improvements. The contributions then went to the *Inklings* Staff, who worked under the direction of Mr. Peterson and Mr. Lehman, and there the final choice of material was made. The art department cooperated whole-heartedly by illustrating the book and by working out very attractive cover designs. All the work of these various groups was well rewarded by the enthusiastic reception which both the fall and spring issues received.

The 1935 and 1936 season has established another fine record for the New Trier debate squads coached by Mr. MacLean. Work was commenced at the beginning of the year on the question selected by the National Forensic League: "Resolved that the several states should enact legislation providing for a system of complete medical care available for all citizens at public expense."

This year marks the second anniversary of the Debate League, composed of about twelve schools in the Chicago area. New Trier hung up an enviable record of twenty-seven victories and seven defeats in these dual meets. In April New Trier took second place in the Wheaton tournament at Wheaton College, competing against forty-five schools.

The affirmative team consisted of Sydney Craig, Hugh Petersen and Richard Lehman. The negative was upheld by Marcel Van Hemert, Alan Bachrach, Marjory Wood, Clifford Goodman, Jerome Stein, and Jeanne Eiseman. The awards for debate were given to the following: The Reily Trophy in memory of Solon Reily for excellence in debate, to Hugh Petersen; The Elmer Baker Memorial Trophy for initiative, perseverance, and loyalty, to Clifford Goodman.

ORATORS

First Row (left to right): G. Wooten, M. Van Hemert, R. Elson.

Second Row: J. Stein, J. Normoyle.

Never before this year has such excellent work been done in the field of oratory. Great renown was brought to New Trier by the boys who, participating in the various oratorical contests held throughout the state, invariably placed high among the winners.

Particular credit goes to Marcel Van Hemert, Jerome Stein, Joe Normoyle, Ralph Elson, and Gille Wooten. Marcel Van Hemert has an exceptionally fine record, placing either first or second in every contest he entered. Jerome Stein and Joe Normoyle had similar records though they did not enter as many contests.

The orations for the local Prince of Peace Declamatory Contest were delivered before the senior class, but all other contests were held away from school. The contestants were first entered in local competition and if they placed there they went on to the county, the district and then the state contests.

However, credit is due not only to these winners, but also to all those participating in public speaking tournaments, since they all have brought credit to the school. These few have come from that large group of seniors who had elected public speaking as a fourth year course.

All of the students who participate in oratory receive a large part of their training in their public speaking classes. Before they are actually ready to enter a contest, however, they work with Miss Payton to perfect their style and delivery.

ACHIEVEMENT...

Senior Class of New Trier, your four years are marked with accomplishment. In the classroom. On the athletic field. In every school activity. You have been gaining knowledge, understanding, sympathy. Together they mean the achievement of graduation.

It's like that in our business. We started as "freshmen." In time we achieved the largest and most complete printing plant between Chicago and Milwaukee.

It has been a privilege to work with the Echoes staff. It has seemed a personal contact with each senior.

Now as each graduate pauses on the threshold of greater achievement we say, "Good Luck!" We do not say, "Goodbye," for we want to serve you further in your varied activities to come.

*There are two ways
to build a motor car - -*

It can be built to sell at a certain price, and the quality brought within that predetermined range—or, it can be built as finely as possible, letting the price fall where it may. La Salle is built to the latter formula — built as finely as Cadillac knows how—and priced as low as the quality permits. There is no car built to a price formula that could possibly compete with La Salle.
